A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Brand New Book ***** Print on Demand *****.Excerpt from *Berney s Poems and Brief Sayings: With Choice Selections From Eminent Authors* The Author of this little collection of poems and brevities regrets that it is not more expensive, but there are two sufficient reasons for restricting my book in size. The first is that the cost of publishing a book is very much greater than one would think, unless he had some little experience in such matters, and since my publishers, Messrs. Bear Leasure, were so kind and liberal as to undertake its publication at their own risk. I thought best not to make the risk too great by the publication of a larger book, but let this little book suffice for an introduction to the public. The other reason is that very much of my writing or work is very radical in its nature, and not calculated to please all, and so might offend some who have shown me kindness in my present affliction. I am only too glad to confess my deepest gratitude for the kindness which has been shown me by all classes of men and women. I rejoice in the dawn of a better day wherein we all recognize, not the Devilhood of God, but that higher and better concept, the Fatherhood of God, and the motherhood and sisterhood of woman.
