Excerpt: . . . fell to nearly 50 per cent. below that of the preceding year. In the fiscal year 1915-16 the mica mines of Nellore and Salem, Madras Presidency, produced 52 per cent. more than in the year before--505, 037 lb. as compared with 331, 568 lb. Exports from Madras were somewhat smaller, however--576, 240 lb. valued at 121, 700, as against 621, 376 lb. and 153, 109 in the preceding year. Nellore is the chief producer in Madras. Activity in the mica market was inducing merchants and miners to direct their attention to the industry and there was a noticeable revival, especially during the latter part of the year. Almost all of the old mines continued to yield a steady supply and there was a slight increase in wages toward the end of the year. 4 Exports of mica from Calcutta in the fiscal year ending...
