Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

Semiotext (E). Paperback. Book Condition: new. BRAND NEW, The Divine Left: A Chronicle of the Years 1977--1984, Jean Baudrillard, Jean-Louis Violeau, David L. Sweet, First published in French in 1985, The Divine Left is Jean Baudrillard's chronicle of French political life from 1977 to 1984. It offers the closest thing to political analysis to be found from a thinker who has too often been regarded as apolitical. Gathering texts that originally appeared as newspaper commentary on Francois Mitterand's rise to power as France's first Socialist president and the Socialist Party's fraught alliance with the French Communist Party, The Divine Left in essence presents Baudrillard's theory of the simulacrum as it operates in the political sphere. In France, the Left, and even the ultra-Left, had been seduced by power. This scenario -- dissected by Baudrillard with deadpan humor and an almost chilling nonchalance -- produced a Socialist Party that devoted itself to rallying the market economy and introducing neoliberalism, and replaced an intellectual class with the media stars and hyper-professionals of the spectacle. Starting from the elections of 1977, Baudrillard analyzes -- in "real time," as it were -- how the Left's taking of power had in fact been an enactment of not just its own death throes, but those of power itself. The Divine Left outlines a simulation of politics that offers discomfiting parallels to our political world today, a trajectory that has only grown more apparent in recent years: the desire and intention to fail.
