Reviews

It is really an remarkable book which i have ever go through. It can be writer in simple terms and not difficult to understand. I am just effortlessly can get a enjoyment of reading a composed pdf.
(Dr. Lily Wunsch II)

FINDING SOUL ON THE PATH OF ORISA (NEW EDITION)

[DOWNLOAD](#)

Crossing Press,U.S. Paperback. Book Condition: new. BRAND NEW, Finding Soul on the Path of Orisa (New edition), Tobe Melora Correal, In the realm of African spiritual pathways, no tradition has been so widely embraced and practiced as the West African religion Orisa. Profoundly enriched and challenged by her own spiritual journey, Tobe Melora Correal, an initiated priestess in the Yoruba-Lukumi branch of Orisa, guides us along this blessed road Finding Soul on the Path of Orisa. Providing a fresh look at the soul of these ancient teachings, she emphasizes introspection and inner work over the outward manifestations of Orisa's practices. She also debunks misconceptions surrounding the tradition, drawing us into a lushly textured, Earth-centered spiritual system and shedding light on the nature of all spirituality. In the first part, of the book she gives an introduction to the basic teachings and metaphysical underpinnings of the tradition. She explores the history, branches, stories, and principles of Orisa, and discusses the Yoruba vision of God, comparing it to other traditions' versions of God. She also discusses how Orisa/Yoruba has been misunderstood by outsiders or misused by initiates as "black magic" or "voodoo," and reaffirms it as a positive, Earth-centered religion. In the second part, she discusses how to integrate these principles into our daily life, by building meaningful and authentic relationships with the spirits of your ancestors. The third part gives an overview of the tradition's structure and covers the purpose and function of the rites of initiation. First and foremost the book offers a personal approach to the tradition, emphasizing that the principles and rituals of Orisa cannot be accepted and performed blindly but must be adhered to with active participation. Correal describes her personal struggle to find a spiritual road, finally discovering what she was looking for in Orisa. More than...
