The Chrysalis Teachings are excellent for those individuals who do not accept the church as the final authority. There is more truth in Greek mythology as far as our history and roots go than there is in the Bible. I would suggest a study of mythology as being a great aid when trying to understand humanities path in that time period. For the present time period I've attempted to pull together a complete picture (using all the volumes of the New Millennium NoteBooks) of where we (humans) came from and where we are headed. This picture comes from the other side of the veil separating those of us on the physical plane from those in the unseen plane. The main focus of these teachings is to help everyone get a bigger picture of the purpose of life and offer hope and inspiration for our future. People leaving the churches will have the courage to move past its teachings and blaze new trails leading to the use of the intelligent mind. The Chrysalis Teachings quite often use analogies to explain many scientific and...
