Dimensions: 8.9in. x 6.0in. x 0.5in.The Culture Crafters is both a frightening and shocking in-depth account of how popular culture seduces and deceives todays youth. The book exposes major forces inside the American pop culture that is shaping the worldview of children and youth such as television, movies, the Internet, public policy, books, education, and music. However, the author makes it clear that the cultural battle for the next generation must be fought in the spiritual realm, not with human weapons aimed at human agendas, personalities, or organizations.
