Brand New Book ***** Print on Demand *****.Excerpt from A History of the Councils of the Church, Vol. 3: From the Original Documents The Author s Preface to this portion of his work has already appeared in the second volume of the English Translation. He there remarks that this History becomes in many ways very like a history of the Church and of dogmas, which will be no prejudice to it. This is, of course, the exact truth of the matter, and it is the chief interest of the work. The History of the Councils differs from that of Doctrines in dealing only with those questions which come formally before the Church in her Synods. Both are of inestimable value, and of absolute necessity, to all who aspire to the name of theologian. In the present volume this view of the subject is made more prominent than in any other; as the whole of its contents, with some slight exceptions, refer to the controversy respecting the Person of our Lord and Saviour Jesus Christ, in the two great conflicts of the Church with Nestorianism...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
