Brand New Book ***** Print on Demand *****.Excerpt from British Remains: Or, a Collection of Antiquities The history of the primary state of all people is commonly dark and obscure, but, I believe, few indeed, or none, more so, within a period the transactions of which might well have been transmitted to posterity in genuine perfectness, than the history of the Welsh nation, from the Conqueror Williams time to the commencement of the thirteenth century. The printed accounts of this interesting interval are both few and unsatisfactory. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
