The Flat World and Education: How Americas Commitment to Equity Will Determine Our Future

By Linda Darling-Hammond

Teachers College Press. Paperback. Book Condition: New. Paperback. 240 pages. The Flat World and Education offers an eye-opening wake-up call concerning Americas future and vividly illustrates what the United States needs to do to build a system of high-achieving and equitable schools that ensures every child the right to learn. We are so fortunate that Linda Darling-Hammond has provided this road map for educational excellence for all children in todays flat world. She thoughtfully emphasizes the basic strengths that we need in these changing times and then outlines what our schools must do to respond to 21st-century learning needs. Linda is one of the education researchers whom I most respect. All children must mean all children and this book shows us how to do it. -Richard W. Riley, Former U. S. Secretary of Education When Linda Darling-Hammond speaks, Americas teachers listen! I listened and learned from her as we together led the National Board for Professional Teaching Standards and created the National Commission on Teaching and Americas Future. Excellent schools are the key to Americas economic future, and superb teaching is the key to great schools. This book makes clear as a bell how to organize schools for successful teaching...
