Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

ADVANCED HOMEWORK FOR GROWN-UPS

Vintage Publishing. Hardback. Book Condition: new. BRAND NEW, Advanced Homework for Grown-ups, Elizabeth Foley, Beth Coates, If you paid attention to "Homework for Grown-ups" you should hopefully now have a grasp of the basics: know your chiasmus from your zeugma, your obliques from your acutes, and your Anne of Cleves from your Anne Boleyn. Now, sit up straight, and get your jotters and pencils out, because E Foley and B Coates are back to steer you through some of the more complicated elements of the curriculum and beyond. "Advanced Homework for Grown-ups" will revisit and refresh the core subjects of Maths, English, Science, Geography, History and Classics in a little more depth. This time, amongst other topics, they tackle logarithms, unlock the secrets of semantics, and explore the Agrarian Revolution, with a mix of really useful information and entertainingly esoteric material. In addition, new subjects enter the timetable: Music, Modern Languages, Economics, Politics, Philosophy and Psychology, as well as Design and Drama. Packed with fun practical exercises and, of course, examination papers for the competitive, "Advanced Homework for Grown-ups" will be the perfect gift.
