Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.A solitary figure trudged along the narrow road that wound its serpentine way through the dismal, forbidding depths of the forest: a man who, though weary and footsore, lagged not in his swift, resolute advance. Night was coming on, and with it the no uncertain prospects of storm. Through the foliage that overhung the wretched road, his ever-lifting and apprehensive eye caught sight of the thunder-black, low-lying clouds that swept over the mountain and bore down upon the green, whistling tops of the trees. At a cross-road below he had encountered a small girl driving homeward the cows. She was afraid of the big, strange man with the bundle on his back and the stout walking stick in his hand: to her a remarkable creature who wore knee pants and stockings like a boy on Sunday, and hob-nail shoes, and a funny coat with pleats and a belt, and a green hat with a feather sticking up from the band. His agreeable voice and his amiable smile had no charm for her. He merely wanted to know how far it was to the nearest village, but she stared in alarm and edged away as if preparing to break into mad flight the instant she was safely past him with a clear way ahead.
