Titan Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Mage Winds (a Valdemar Omnibus), Mercedes Lackey, High Magic was lost to Valdemar centuries ago, when the last Herald-Mage gave his life to save the kingdom from dark sorcery. But now the realm is at risk again, and it falls to Princess Elspeth, Herald and heir to the throne, to defend it. Abandoning her home, Elspeth seeks a mentor who can awaken her untrained mage abilities, and soon learns that others, too, are being caught up in a war against sorcerous evil. The Tayledras scout Darkwind is the first to stumble across the menace creeping forth from the Uncleansed Lands. As the dark sorcery begins to take its toll, Darkwind must battle an enemy able to wreak greater devastation with spells than with swords, and is forced to call upon powers he has sworn never to use again. The Mage Winds omnibus follows Princess Elspeth, future Queen of Valdemar, as she masters her mage gift and defends her threatened kingdom.
