It's not hers to share, but is it hers to keep? If she tells her husband Jason, he might get over the shock but will he forgive her for telling the truth? She might drive a wedge through their marriage. If she tells someone else in Jason's family - the family she's come to love more than her own - she'd not only tear them apart but could also find herself on the outside: she's never really been one of them, after all.
