Simon Schuster Books for Young Readers, United States, 2016. Hardback. Book Condition: New. 213 x 147 mm. Language: English . Brand New Book. From Morgan Matson, the bestselling author of *Since You've Been Gone* comes a feel-good story of friendship, finding yourself, and all the joys in life that happen while you're busy making other plans. Andie has a plan. And she always sticks to her plan. Future? A top-tier medical school. Dad? Avoid him as much as possible (which isn't that hard considering he's a Congressman and he's never around). Friends? Palmer, Bri, and Toby pretty much the most awesome people on the planet, who needs anyone else? Relationships? No one's worth more than three weeks. So it's no surprise that Andie's got her summer all planned out too. Until a political scandal costs Andie her summer pre-med internship, and lands both she and Dad back in the same house together for the first time in years. Suddenly she's doing things that aren't Andie at all: working as a dog walker, doing an epic scavenger hunt with her dad, and maybe, just maybe, letting the super cute Clark get closer than she expected. Palmer, Bri, and Toby tell her to embrace all the chaos, but can she really let go of her control?.
