Specials Forces was created to defend the borders, trades routes and ships of Earth. This force took only the best soldiers from the best regiments to do the job. Exploring the galaxy was dangerous and soon we accidentally encountered the Uskabar. The massacre of the mining colony at Flaven Prime taught us a valuable lesson, that we were not always welcome. Three members of the Special Forces rescue team survived that day, now eight years later, Captain Fox, Major Pearson and Colonel Hargreaves would face the instigator of that massacre, Colonel Caspan. Fox knew one day that this would happen but hoped it would never come. This time Fox would be taking a team of rookies with him, who would be thrown into a world of bounty hunters, gun runners, smugglers and politics; he had high hopes that they might survive.
