But soon her jeans are too tight to fit, and it becomes a showdown between her love for junk food and her love for herself. In *Who Ate My French Fries?* author Lee Turner takes readers on an adventure of edible proportions as Alina learns about the green army of vegetables that helps her to be healthy. When she shares this knowledge with the whole school, Alina is able to change the lives of those she cares about. From sentimental moments with her mother, conflicts with her father, competition with her sister, to happenings with her friends, Alina learns how to regain her self- confidence and be true to herself in this touching and memorable book. *Who Ate My French Fries* is a story inspired by a real girl who becomes a victor in one of life s greatest challenges. Lee Turner was inspired to write this children s novel by her nieces, Alina and Claire. Lee shows a remarkable understanding of the nature of kids and is able to put the reader into the reality of the story. Motivated by the statistic that 34 percent of America s kids are overweight, Lee seeks to provide inspiration for kids to maintain a healthy lifestyle. Lee resides with her husband, Russell in Poteau, Oklahoma. She is currently seeking a degree in nutrition consultation from the Global College of Natural Medicine.
