JADE FEVER: HUNTING THE STONE OF HEAVEN

Heritage House Publishing Co Ltd. Paperback. Book Condition: new. BRAND NEW, Jade Fever: Hunting the Stone of Heaven, Stan Leaming, Rick Hudson, Beautiful, translucent, and indestructible, jade has a mystique that's captivated people since Neolithic times. Stan Leaming, Canada's leading jade geologist, was fascinated by this unusual gem; he is credited with pioneering the emergence of the jade industry in British Columbia. Leaming shares his unique insight into the science and magic of jade in this passionate exploration of the green stone's development from prehistoric tool to objet d'art. The reader is invited along with Leaming, a fascinating subject in himself, on a trip around the world as he hunts for the stone of heaven throughout B.C. and Canada, the United States, Mexico, Europe, Siberia, China, and even Down Under, where black jade is found. This book examines jade's appeal as a global industry, a divine inspiration, a medium for artistic expression, and even as a precipitator of some bizarre crimes. Rockhounds casual and serious will appreciate this comprehensive celebration of jade, enhanced with maps and photographs. The 16-page colour section includes photos of jade art by Lyle Sopel, B.C.'s foremost jade sculptor.
