Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

CLARISSA OAKES

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Clarissa Oakes, Patrick O'Brian, Patrick O'Brian's Aubrey-Maturin tales are widely acknowledged to be the greatest series of historical novels ever written. To commemorate the 40th anniversary of their beginning, with Master and Commander, these evocative stories are being re-issued in paperback with smart new livery. This is the fifteenth book in the series. All the elements that have made Patrick O'Brian's astonishing series one of the most highly praised works in contemporary fiction are here in Clarissa Oakes - the narrative grip, the impeccable ear for dialogue, the humour and the unsurpassed capacity to create and recreate a rich and true friendship between two men in the late eighteenth-century. Captain Jack Aubrey sails away from the hated Australian prison colonies in his favourite vessel the Surprise, pondering on middle age and sexual frustration. He soon becomes aware that he is out of touch with the mood of his ship: to his astonishment he finds that in spite of a lifetime's experience he does not know what the foremost hands or even his own officers are thinking. They know, as he does not, that the Surprise has a stranger aboard: and what they, for their part, do not know is that the stranger is potentially as dangerous as a light in the powder magazine itself.
