Insight Publishing Group. Paperback / softback. Book Condition: new. BRAND NEW, God, Sex & Dating, George A Brantley, Francis Anuso, Deborah Anuso, Havilah Anuso, What does God really say about dating? He says absolutely nothing about dating in the Bible, but He has a lot to say about purity, marriage, relationships, blessing, order, and a happy future. What's more, God's avenue for finding a mate is not negative or unattainable, it's positive and within your reach. George Brantley is a firm believer that it is possible for young people to grow up, pass successfully through the teen years and enter into marriage with a pure and unbroken heart, soul, and mind. Imagine that! If a person were to save everything for that one special person, knowing that he or she had done likewise, that would be a marriage built upon a firm foundation. This very possibility is what this book is all about. He encourages people to live God's way that will bring peace, joy, and order to their life. The price of finding it will never compare to what you get in return.
