Andrews McMeel Publishing. Paperback. Book Condition: new. BRAND NEW, Woodstock: Master of Disguise: A Peanuts Collection, Charles M. Schulz, It's Peanuts galore in this collection featuring the familiar, globally recognized cast of Charlie Brown and his neighbourhood friends. The classic humour and endearing artwork of Charles M. Schulz will once again capture the hearts and tickle the funny bones of readers as Charlie Brown, Lucy, Schroeder, and all the others come together to do what they do best---be kids (oh, and be a dog and A a bird!). Charles Schulz's Peanuts is one of the most timeless and beloved comic strips ever. Now AMP! is carrying on that legacy with new collections of Peanuts classics for middle-grade readers. First published in 1950, the classic Peanuts strip now appears in more than 2,200 newspapers in 75 countries in 25 languages. Phrases such as "security blanket" and "good grief," which originated in the Peanuts world, are now part of the global vernacular, and images of Charles Schulz's classic characters--Charlie Brown kicking the football, Lucy leaning over Schroeder's piano--are now universally recognized. Together these books will introduce a new generation of kids to the lovable cast in time for the new animated Peanuts movie, which hits theatres in 2015!.
