Good Meetings Much of a community's culture is showcased in meetings-the arena in which the most important decisions are made. In cooperative groups you can tell a lot about a group by observing a meeting. Community meetings tend to be a much more complex animal than business meetings in the mainstream culture because you are expected to work constructively with the energy in the room, not just the ideas. Humans bring a menagerie of personalities and preferences to the table and it's an art learning how to make the most of it. In this bundle we've collected 21 of our best nuggets about Good Meetings, carefully extracted from the rich vein of community meeting lore. This Digital Issue includes: 1.
