Despite grim headlines about the economy, you don't have to stay in a job you intensely hate. There's a better opportunity waiting out there, and escaping from cubicle nation is easier than you think. Pamela Slim spent a decade traveling all over the country as a self-employed trainer for large corporations. She was surprised to find that many of the most successful employees at these companies harbored secret dreams of breaking out to start their own businesses. They would pull her aside after a meeting and whisper, I would love to work for myself, but have no idea how to get started. How did you do it? So Pamela started a blog Escape from Cubicle Nation to share her experience and advice. Soon, questions and stories poured in from corporate prisoners around the world. As her blog gained popularity, she also interviewed some of the brightest experts in entrepreneurship on topics from finance to branding to marketing via social networks. This audiobook includes Pamela's very best material, based on thousands of conversations and reader submissions. It provides everything...

*Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
